

LARA STEFANIA BARIJHOFF

B.S. IN DIGITAL TECHNOLOGY

Motivated and results-driven Digital Technology graduate, with a strong foundation in business strategy, technology, and multidisciplinary knowledge in design and neuroscience. Deeply interested in Artificial Intelligence and passionate about work that bridges the gap between emerging technologies and real business challenges.

KEY COMPETENCIES

Bilingual proficiency in English and Spanish
Basic knowledge of French and Portuguese
Advanced experience in Python, C++ and Figma
Competent in HTML, CSS and JavaScript

Development and implementation of technologies and applications
Full Stack Development
Strategic Thinking and Problem-Solving

PROFESSIONAL EXPERIENCE

The Network (2.5M Pre-seed)

Jun 2025 – Jul 2025

AI Validator – Freelance

Contributed to the validation and training of AI models, ensuring accuracy, consistency, and high-quality outputs. Identified errors and edge cases, providing structured feedback to improve model reliability. Applied strong attention to detail to maintain high standards across large volumes of data.

PROJECTS

Nubiq (AI Startup)

Mar 2025 – Dec 2025

Co-founder — Product & Operations

Co-founded a no-code platform building AI agents for SMEs, focused on making automation accessible to non-technical teams. Led product and operations workflows. Awarded the Inspire Up Fund (USD 3,000) and reached the finals of the global START Fellowship competition.

Afrodita Accessories

Jan 2021 – Jul 2022

Co-founder and Operations Manager

Founded and led a gemstone energy accessories venture, distributing products across all of Argentina. Grew the business by 150% over 3 months, co-managing with two partners, handling logistics, and developing influencer marketing strategies that increased brand awareness and customer engagement.
